Projects and collaborations

From 2002 to 2007 active as Aleph, a drone/noise act. Often playing in collaboration with $Artur\ ARh+\ Kwiatkowski\ (Pure,$ currently Akton and a half of DREN) and $Non-Iron\ Group\ (Robert\ Sochacki,\ Zambari,\ Anna\ Patrini,\ Arszyn\ et\ al.$). Did a "correspondence" album with German $Eternal\ Ice$.

From 2004 to 2005 member of garage dark ambient band *Muezinn* with *Grzegorz Kwiatkowski* (currently *Trupa Trupa*). In 2005 member of a short-lived cutup/collage guerrilla *Szrómberryplot* with *Jakub Bilski* tossing recycled cassettes to random mailboxes and public toilets.

From 2006 to 2007 member of d'n'b cabaret *Boa Zeria Sound System / BZSS* with *Rafal "Siebenlustigetomaten" Zaremba* (weird performances and short films¹).

Since 2010 member of dada-drone duo $Bracia\ Feccaliano$ with $Marek\ P.$ (over a dozen lengthy compositions on classified recycled cassettes).

Late 2013 started explorations of boundary cases of composition using analog synthesizers, in 2014 taking the name Calineczka (Polish for "Thumbelina").

On September 2017 on a tour with Dawid "Purgist" Kowalski performed also as a duo Psychotronika (drone/experimental). In parallel to the tour managed to perform² his 6h long composition "RDS-6" in merely 5h!

On December 21 2018 founded important drone records.

On April 2019 joined Libet.

On September 2023 started The Ścisław Dercz Experience, a traditional synthesizer blues band.
